Times Square

Modern and versatile

Determine your contemporary look. Choose from warm or cool colors to create a fresh look or combine the options to enhance contrast for more depth. Select glass doors and walls for transparency. Use a bare car option to create your style and taste. Times Square adds distinctive features to any public, commercial or residential building.

Multicolor options

Play with fresh and vibrant colors. Choose from a range of warm and cold colors that look great on their own, but also stunning when combined.

Laminate and stainless steel

Create a different ambiance by selecting different materials. For a fresh look and feel, choose from colorful laminates. Stainless steel gives a more clean and modern look. Combine both materials for more individuality.

Glass walls and doors

Add panorama to your elevator. Select glass panels for side walls or rear wall, or both for complete transparency.

Back painted glass

By putting color behind glass, you create a high gloss and vibrant effect that adds a pleasant ambiance to your car. In order to make the back painted glass walls perfectly fit the overall appearance of the building, you can either choose from pre-selected colors or optionally specify any NCS (Natural Color System) color.

Wave

The optional „wave“, a rounded design element that beautifully merges ceiling and rear wall, provides the car with unique elegance.

Illuminated handrails and skirting

Highlight your car with illuminated handrails and skirting for a special effect and a lasting impression.

Glass walls and doors

Select transparent glass panels for side walls or rear wall, or both to add marvelous panorama to your elevator.
